#### **RACE 4 – THE CHANG FONG MARINE & SHIPPING LTD TROPHY – 1500M**

Correct weight was withheld for Stewards to consider two objections lodged by jockey Placais, the rider of **Yankeedoodledandy**, which finished 3<sup>rd</sup>, against **Crazy Vision**, being declared the winner, and **Tower Of Wisdom**, being declared 2<sup>nd</sup>, alleging interference in the home straight (**Tower of Wisdom**: 0.20 length and **Yankeedoodledandy**: 0.50 length). Evidence was taken from the riders and trainers concerned. It was established that near the 150 metres **Crazy Vision** was taken to the inside of **Pride Rock** to secure clear running and brushed **Yankeedoodledandy** with the latter then shifting inwards onto the heels of **Tower Of Wisdom**. **Yankeedoodledandy** then had to be taken to the inside of **Tower Of Wisdom** to continue going forward. The Stewards, being of the opinion that albeit there was contact between **Crazy Vision**, which had improved from behind, and **Yankeedoodledandy**, forcing the latter inwards onto the heels of with **Tower Of Wisdom** with **Yankeedoodledandy** having to be switched to the inside of **Tower Of Wisdom** to continue going forward, were satisfied that **Yankeedoodledandy** had secured clear running from the 100 metres until the finish, and that this horse failed to make sufficient ground onto the winner for the objection to be upheld in the closing stages. In relation to 2<sup>nd</sup> placed horse, the Stewards being of the opinion that **Yankeedoodledandy**, after having been brushed by **Crazy Vision**, shifted in onto the heels of **Tower Of Wisdom**, which at that point had kept a straight line, as such regarded this part of the objection as unwarranted and decided to dismiss it; correct weight was declared on the Judges' semaphored numbers.

**Burg** – Jumped awkwardly, shifted out and bumped **Tower Of Wisdom**. Shifted out in the home straight.

**Crazy Vision** – Threw its head on jumping. From its wide draw, was taken across to race behind runners. Angled inwards for a clear run leaving the 200 metres and brushed **Yankeedoodledandy**. Vet report: Bled both nostrils.

He was suspended from riding in races for one Mauritian race meeting.

He was suspended from riding in races for one Mauritian race meeting.

He was suspended from riding in races for one Mauritian race meeting, this suspension to run concurrently with the one incurred in race 4.

b) When questioned, jockey Ségeon (**Ernie**) explained that this gelding usually races from off the pace but for today's race, due to the lack of speed, he was told to endeavour to race closer to the pace. He added that after jumping well, he found himself racing in a forward position and seeing that **Chili Con Carne** and **Bonnie Prince** were insisting for the lead, he decided to settle his mount just behind the pace. He also said that being of the opinion that these two horses were going too hard in the early stages and taking into consideration that his mount is a hard puller, he decided not to niggler it forward leaving the 1100 metres when the gap had widened between himself and the leaders as **Ernie** was racing well within itself in a relaxed manner. He added that from the 700 metres the pace slowed, resulting in him having to settle his mount when awkwardly placed closed to the heels of **Chili Con Carne**.
