

### **Dis-Moi Communiqué**

Dis-Moi has taken cognisance of a letter released by the Management of Air Mauritius Ltd thereby terminating the employment of Mrs Yogita Babboo Rama with immediate effect on 10 July 2023.

Dis-Moi considers that the termination is in itself unjustified in as much as the reasons provided in the letter are unsatisfactory and not strong enough to proceed to a dismissal. Mrs Y.Babboo, being the president of AMCCA, has only voiced out her opinion and dissatisfaction regarding the treatment of her employer towards herself and other employees of Air Mauritius Ltd.

Dis-Moi considers Mrs Y.Babboo as being a Human Rights Defender and we note that there has been a clear violation of her rights as a Trade Unionist.

Dis-Moi strongly condemns the decision taken by Air Mauritius Ltd and would like to express its deepest concern regarding the treatment encountered by Mrs Y.Babboo at her workplace.

Dis-Moi is fully committed to providing its unconditional support to Mrs Y.Babboo and will from this day forth join her in her fight for justice. Dis-Moi also reserves its rights to alert international organisations such as the International Service for Human Rights (ISHR) for investigation.

Dis-Moi is in the same vein, inviting all other Organisations, Trade Union Federations and Confederations, and citizens who have Human Rights at heart, to set up a platform to provide their support and solidarity to the cause of Mrs Y.Babboo.
