## **MOST URGENT**

### **IN RE : STATE OF THE LIFTS AT DR. JEETOO HOSPITAL**

I visited Dr AG Jeetoo Hospital with Mr. Raouf KHODABACCUS yesterday at around 18 00hrs and was bewildered to see the lifts are dysfunctional and making a lot of bizarre sounds.

I immediately checked the notice (enclosed photo of the notice) which is posted on the walls of the lift as per the provisions of the law and was shocked to see that the lift has not been examined despite the certificate stating that the next examination is due on 3<sup>rd</sup> April 2024. And yet the same has not been done.

Therefore, it is clear that the lifts are in contravention to ***section 53 of the Occupational Safety and Welfare Act, 2005.***

I beg you to take immediate action & any failure will be considered as criminal negligence.

Thanking you beforehand.

Yours in peace.

**Rama VALAYDEN**

Copy to PRIME MINISTER Hon Pravind Kumar JUGNAUTH
